

PUBLIC SCHOOL DARBHANGA

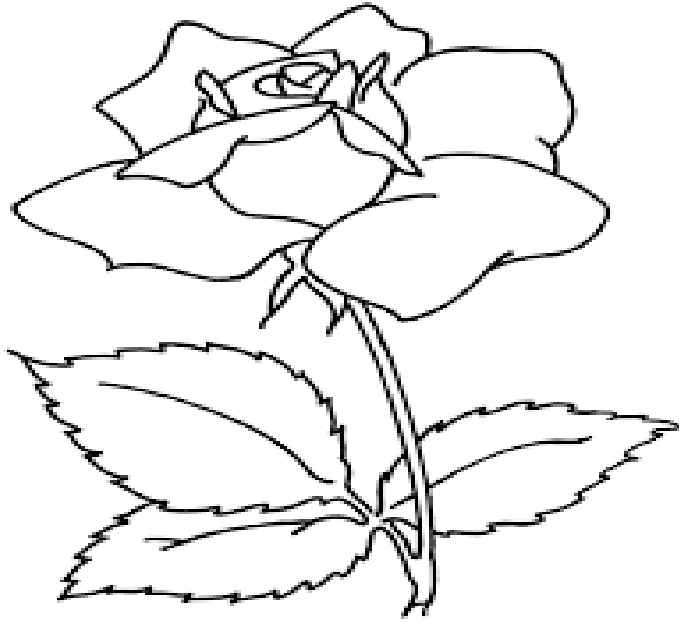

SESSION 2020 – 21
Class U.K.G – Mathematics

Complete the given series of trains with the sequence of numbers: (for example 2,3,4, 5,6,7)

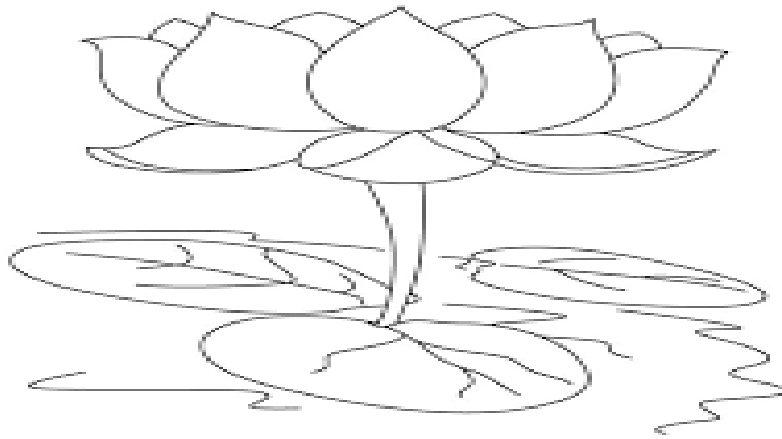

Below are given two images of flowers Rose and Lotus. Colour them with the help of your parents. (Remember to use the golden words)

Rose

Lotus

Through this activity children will recognize the flowers with their shape and colour and also learn their names.
