### SUBJECT– ENGLISH CLASS VI

**Read the following poem carefully and answer the questions that follow:**

#### THE WORLD

Great, wide, beautiful, wonderful World.

With the wonderful water around you curled,

And the wonderful grass upon your breast- World  
you are beautiful drest.

The wonderful air is over me.

And the wonderful wind is shaking the tree,

It walks on the water and whirls the mills, And  
talks to itself on the top of the hills.

You friendly Earth, how far do you go,

With the white fields that nods and the rivers that flow,

With cities and gardens, and cliffs and isles,

And people upon you for thousands of miles?

Ah! you are so great, and I am so small,

I tremble to think of you , World, at all;

And yet, when I said my prayers to-day,

A whisper inside me seemed to say,

‘You are more than the Earth, through you are such a dot:

You can love and think, and the Earth cannot!’
