

Fun & Learn

Mickey Mouse is a funny animal cartoon character and the official mascot of The Walt Disney Company. He was created by Walt Disney and Ub Iwerks at the Walt Disney Studios in 1928.

Mickey Mouse is & will always be one of my life time favourites (along with Minnie Mouse and their friends);

Definitely the face of all cartoons. After all, Mickey is the longest-running cartoon character and the reason why the cartoon industry grew in popularity. Without Mickey, there wouldn't be cartoons period. Also, it's a real statement when people can recognize a character from just three circles.
